

RING STAMP HOLDER

- This holder eliminates the need to hold ring and stamp in one hand. It Accommodates standard stamps that measure approximately 5/16" (8 mm)
- The sleeve can be reversed or the body can be touched up with a file if the stamp isn't 5/16" (8 mm) square
- It eliminates slipping of the ring and it is also ideal for flat stamping. Simply position the ring over the mar proof nylon anvil and tap the stamp with a mallet
