

## ENGINEER'S BENCH VICE

- Manufactured from shock resisting cast iron, free from sand holes, pits, blow holes, scrabs and other imperfection.
- Unbreakable malleable steel nut for extra tuff grip.
- Jaws manufactured from special carbon steel, properly heat-treated grinded and serrated to ensure a fast non-slip grip.
- SWIVEL BASE specially designed having three holes for mounting.
- Rotates through 360° on base & can be locked positively at any position.
